Summer in Cape Town is truly spectacular. With a plethora of outdoor activities to partake in and some of the world's most exquisite and picturesque sites on our doorstep, we invite you to explore and relax during this festive season.

Table Mountain has recently been included, by popular vote, as one of the 7 natural wonders of the world. With this majestic mountain on our doorstep, we recommend the 5 minute drive to the cableway base station followed by an enthralling trip to the top of Table Mountain in a modernized revolving cable car, the views of Cape Town from above are simply incredible.

Enjoy the tranquil sounds of our harpist while you savour the culinary delights. For light meals join us in The Conservatory Restaurant or weather permitting on The Pool Deck. After a days exploring, we invite you to unwind in the nautically themed Union Bar, a perfect venue for pre-dinner drinks. Our signature restaurant, the Atlantic Grill offers a fine-dining experience with award winning cuisine prepared by Executive Chef Dallas Orr and his team.

Superb Wine, Beer and Water for our Most Valued Guests

Our Food and Beverage team have created a 'house' wine for your enjoyment. "The Captain's Table" was born in partnership with Rikus Neethling of Bizoe wine fame. With small quantities of grapes, excellent wine-making ability and exceptional quality, "The Captain's Table" red and white wines are our inaugural beverage offerings to our guests. The grapes for our house white originate from the Elgin area, whilst grapes for the red, comes from the Theewaterskloof and Stellenbosch areas, all highly rated grape producing areas in the Western Cape. The white wine is blended on Glen Erskine Estate and the red on Eikendal Estate in the Stellenbosch area.

Another creation is our "Oscar Lager". Named after the famous seal that frequented the harbour in front of the Table Bay Hotel, the beer, like Oscar, embodies a spirit of adventure. A beer unique to our hotel which no other establishment offers, the expertly crafted Oscar Lager is the only beer available on draught for guests. Brewed by Jack Black Beer in Woodstock with locally sourced ingredients and water fresh from the springs of Table Mountain.

What would life be without water. Bottled at the Table Bay Hotel under the internationally recognised Vivreau brand name, we produce environmentally positive purified drinking water placing ourselves in the company of world leaders in pure style, pure elegance and pure water, Vivreau is a uniquely designed mains-fed filtration process that enables our hotel to reduce our carbon footprint by eliminating plastic and glass waste and the CO² produced by transporting water from distant sources.

From beautiful fragrance gift sets to scented candles and decadent food hampers, Crabtree & Evelyn's festive gift collection bears the hallmark of true luxury.
