Mosi-oa-Tunya.

VICTORIA FALLS ZAMBIA

Mosi-oa-Tunya – The Smoke that Thunders – is the local name for the Victoria Falls, one of the Seven Natural Wonders of the World. This world-famous cascade of water provides the backdrop for your journey into colonial sophistication. Its fine spray may be seen like a cloud across the bushveld, throwing rainbows hundreds of

feet in the air. On the forested banks of the great Zambezi River, upstream of the mighty cataract where it thunders into the Batoka Gorge, is The Royal Livingstone. In its cool lounges and shaded verandas you will encounter the elegance and luxury of an earlier, more courteous age.

Culinary Exploration.

Dining at The Royal Livingstone is a culinary exploration into unusual flavours and textures. Journey through cumin, cardamon and home-made chakalaka while tasting yams, cassava and groundnuts. All the dishes are inspired by the many cultures that prevail in this diverse and delightful

continent that so fascinated David Livingstone. And what's fine cuisine without beautiful décor and breathtaking vistas? The Royal Livingstone provides this setting in abundance – so as you savour your last mouthful your eyes prepare for a feast.

The Panoramic Playground.

The Zambezi is Africa's playground. Spot the Big Five on a cruise up the river or see them up close from a 4x4. Experience the thrill of an elephant ride. Keen fishermen can pit their wiles against the legendary Tigerfish. Feel your heart pound with white-water river rafting or jet boarding in the mighty rapids of the Batoka Gorge. All the while the Nyaminyami, the kindly river spirit, keeps watch and as night falls spend your time in one of the sophisticated bars of the resort or just star-gaze to the sounds of the ancient African night.

Listen to the sounds of nature and indulge in a luxurious outdoor massage on the banks of the Zambezi River or visit the Royal Salon which prides itself on offering world-class treatments with a personal touch.

Discover the timeless elegance, grace and romance of yesteryear as you explore one of the most scenic railway passes in Southern Africa. The Royal Livingstone Express is a unique African rail experience that combines the luxury of The Royal Livingstone Hotel with Victorian train travel, transporting you through untamed Zambian bushveld on a journey rooted in the nostalgia of a bygone era.

An extension of the hotel, the Express provides exquisite gourmet treatment as you take a leisurely journey through the picturesque Zambezi Valley in Pullman-style coaches that have been lovingly restored to their former glory. Travel leisurely as the sun sets over Victoria Falls, letting the natural splendour stir your imagination and the luxurious comfort of a steam locomotive soothe your soul.
