FACIALS

AFRICOLOGY®

ALL OF THE ABOVE TERMS ARE THE EXCLUSIVE COPYRIGHT OF AFRICOLOGY®

AFRICAN GODDESS FACIAL®

90 mins R1 200

When your primary focus is a facial rejuvenation, but the body is also calling for tender loving care. Our treatment starts with a back and neck exfoliation followed by a muscular releasing massage, melting away tension. We know that a stressed muscular system can place much gravity on the facial muscles; often resulting in sagging skin. This treatment is a wonderful ritual that involves cleansing, massage and sound therapy, making it a sacred and sensory way to celebrate the Goddess within.

AFRICOLOGY BESPOKE FACIAL

60 mins R800 | 80 mins R1 050 (Include Neck & Décolleté Massage)

A deep cleanse can leave the skin looking refreshed and more youthful. By using our gentle Exfoliating Cream and hot mittens, we purify the skin without the long term damage usually caused by steaming and harsh exfoliators. An exfoliation with massage that stimulates and uplifts tired and dull skin, and clears problematic skin. Your therapist will create your bespoke facial according to your skincare needs.

BALANCING ROSE CRYSTAL FACIAL®

80 mins R1000

Rosehip oil is steeped in history and has always been associated with the heart and soul. Our beautiful blend of Rose Absolute is designed to restore the skin's natural balance while eliminating feelings of sadness, rejection or fear. Warmed Rose Quartz stones are massaged upon the face in conjunction with a deep cleansing and hydrating rose inspired facial. The neck, décolleté and feet are also worked to relax muscle tension, reduce fine lines, fight the signs of photoaging, and increase hydration and cell renewal.

Revitalise, Rejuvenate, Purify; Balance

OXYGEN FACIAL THERAPY®

90 mins R1 200

A lack of pure fresh oxygen can prevent blood plasma from free flow, restricting the transportation of vital elements in your biology. Rejuvenation at its optimum, add seven minutes of deep breathing oxygen to your facial. So relaxing and calming, as it purifies blood flow. Sometimes we all need a little clear thinking. Pure liquid oxygen is sprayed onto the skin and the combination of internal & external oxygen supplementation is most valuable in the anti-ageing process.

A beautiful way of balancing the body's energy centres to create optimum health and wellbeing. Your treatment is based on the traditional healer's approach to healing the body.

The Shaman's journey is a move away from superficial, impersonal massages that offer a one-dimensional healing factor. This treatment begins with a back exfoliation followed by an application of warm, soothing mud to release tension stored in the muscles, whilst assisting the elimination of toxins in the body. Marula oil is then applied in preparation for your intuitive full body massage. In Africa, Marula is also used to treat sundamaged skin as it improves skin hydration and helps fight free radicals.

INTONGA AMASATCHI®

(Full Body Experience)

75 mins *R800*

We know that the body has a memory of all emotional experiences. An inability to let go often expresses itself in the body that can be blamed for low immunity. Intonga Amasatchi is a deep tissue and stress-relieving treatment. Skillful movements are performed with the hands, and differently sized wooden sticks are used to stretch tight muscles and ease toxic overload from daily stress. Symbolically, the stick or staff represented wisdom and direction to the healer. Created from yellow wood, the traditional healer knew that the energy of earth was a valuable tool.
