### SHOT CLOCK RULES CONT

The Shot Clock is to be considered a tool to speed up the game and maintain a certain pace, if a player abuses it, it might incur into a penalty for stalling and/or having their preset time shortened.

Players will be notified by the dealer if the preset time on the Shot Clock is almost over. Once it's over then a Time Bank Card will be automatically used. The player will be asked for the used time banks at completion of the hand, not to disrupt the action mid-hand

If the player will have no Time Bank Cards left once the time is over the hand will be declared dead or if he/she was not facing a bet it will be an automatic Check.

In case of a timing dispute towards the player's action, a tie will go in favour of the player.

Players will have 30 seconds to act on all streets before any Time Bank Cards will be required. Each Time Bank will grant 30 seconds extra, regardless of the street that it will be used in.
