## Mosi-oa-Tunya

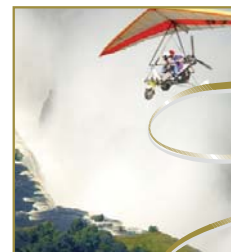

Translated as "The Smoke that Thunders", Victoria Falls is one of the Seven Natural Wonders of the World. The Zambezi Sun, along the verdant banks of one of the greatest rivers in Mother Africa and a short stroll to the Victoria Falls, is a favourite for fun-loving adventurers. This ethnic paradise is both a sanctuary and a world of activity and is the perfect location for exciting and enriching getaways.

The eclectic architecture, inspired by timeless Zambian African tradition, echoes the stunning diversity of the African wilderness and offers guests the experience of being at the heart of this vast and mysterious continent. The hotel has the feel of a centuries-old walled city and comprises open, organic buildings in earthy colours with rambling clusters of rooms.

The Zambezi Sun offers travellers a stunning blend of sun, space, wildlife, comfortable and affordable accommodation, entertainment, good food and the myriad adrenaline activities at the Victoria Falls themselves. It's a place that, once visited, will call to you again and again until you return.
